The Times Of Our Lives

By Paul Anka

Good morning yesterday
You wake up and time has slipped away
And suddenly its hard to find
The memories you left behind.
Remember, do you remember? . . .

The laughter and the tears
The shadow of misty yester-years
The good times and the bad you've seen
And all the others in between.
Remember, do you remember the times of your life? . . .

Each love was a joy and a sorrow
Put them away in your mind
For the memories are times we borrow,
To spend when we get to tomorrow.

Here comes the setting sun
The seasons are passing one by one.
So, gather moments while you may
Collect the dreams you dream today.
Remember, do you remember the times of your life? . . .

Gather moments while you may
Collect the dreams you dream today.
Remember, will you remember the times of our lives.

SPORTS

Varsity Promotes Spirit Among Loyal Fans

Generating enthusiasm and sparkle, SHHS Varsity cheerleaders promoted good school spirit. The squad of nine girls was sponsored by Mrs. Laurie Rice.

The girls practiced once a week and designed posters to announce the upcoming sport events. They cheered at all football and basketball games, and demonstrated true Stallion spirit.

Co-captains of the squad this year were seniors Cathy Budyta and Cheryl Briguglio. The other senior cheerleaders were: Claudette Ghafari, Lauri Pilditch and Julie Holland. Sara D'Augusta, Robyn Woodstock, Vivian Grima and Julie Johnson comprised the junior cheerleaders.

Other squad members included junior Marina Pelliccioni, and sophomores Laura McMahon, Dianne Olzewski, Karen Riedel, Kelly Torey and Margo Welker.

Individuals Score High In Competition

The 1977 Varsity Cross Country Team, under the leadership of co-captains Jay Tepatti and Steve Mets, had a good year. After finishing 7-2 in the dual meets, the Stallions placed 2nd in the Conference Meet and 2nd in the County Meet. They also finished 4th in the Regional, 4th in the Lakeshore Invitational, and 5th in the Oakland Invitational.

Two runners, Mike Sabiston and Curt Reasor, qualified for the state meet with Curt also making the All-County Team. Mike Sabiston was voted the team's Rookie-Of-The-Year, Steve Mets the Most Improved and Curt Reasor the Most Valuable Player Award.

Two stunning defeats at the hands of Cousino and eventual conference Champion Warren Woods dimmed any thoughts the Stallions had for repeating as Warren Conference Champions. However, with their backs to the wall, the Stallions completed the sea with four convincing victories bringing our overall record to 7-2. In Warren Conference our record was 6-2, good for second place. Stallions were also rated in the Top Ten by the **Macomb Daily** **Detroit News** "Metro-East".

5

The offense led the way scoring 2,303 points and the first team defense gave up only 7 touchdowns for the year.

With help from: Fred Jones, Craig Gall, Julian Burzynski,touchdowns for the year. Kelly Courtley, Ray Flaig, Chris McClain, Mark Spezia, Dave Fix, and Bill Chinn. Rick Smiecinski and John Bly were able to score 16 touchdowns and gain 1,609 yards this year.

"A good team cannot win without a good defense and we had a fine definsive team this year. They keep us in great field position and enabled us to win this year." stated Coach McParlan.

Squad Is Young And Enthusiastic

The 1977-78 Girls' Varsity Basketball team once again kept its' youthful trade mark for the second straight year. Of a squad consisting of 14 members only two, Cindy Hale and Mary Lou Anderson, are seniors. Juniors provide the bulk of the team with four of them returning as starters from the 1976-77 Campaign.

"Enthusiasm and drive are two words that best describe this young team. Although not always included in the final tally of points scored in any given game is the dedication these young ladies have for the game and for their team. Just winning each game is not the goal they strive for. Winning with pride is essential, yet losing with dignity and with the knowledge that they did their best is more important." Commented Coach Berlin.

The season proved to be somewhat of a disappointment in the win-loss column for coach Berlin and her squad. However, the experience and the enjoyment the girls had this year far surpasses any championship. What they have earned is not a trophy but the respect of other teams and many supporters who know that Sterling Heights is young — And on its way!

Individuals Achieve Impressive Records

For the first time in three years the Sterling wrestlers have compiled a winning record, finishing 5-5 on the season.

Outstanding contributions came from Senior Co-captains Jeff McKinnie and Dave Conadion. McKinnie finished the season with a 17-5-1 record, winning two tournament first places as well as fourth in both Districts and Regionals. Conadion, the team's most valuable wrestler, had a 27-5 record, in addition to three tournament championships. Both men qualified for state wrestling competition.

Other valuable wrestlers were Senior Co-Captain Ken Fisher, who placed third in Districts, Junior Don Pogni, Senior Mark D'Andreta, Junior John Lucas and Junior Phil Darn.

Sophomore wrestlers Julian Burzynski, Kelly Courtley and Greg chose showed tremendous improvement and promise to strengthen the team again next year.

Lead by Junior Rick Hamlin and Frank Radtke, the squad won a hand fought 6-4 record.

Sophomores Mike Weaver, Al Riley, Mark Hackel, Steve Fineteri, Kirt Ericson, Dave Morrison as well as junior Dave Kett will bring their talents back to the team next year, in hopes of improving the wrestling picture here at Sterling. Coach Schuster has high hopes for his squad in the future.

Co-captains Sue Godell, Cindy Hale and Paula Schnieder did their best to lead the team to victory, and were greatly encouraged by Coach Diane Zatkoff.

The team produced many outstanding players, including junior Cindy York. Terri Utykanski was an outstanding bumper and setter for the team, while Cindy York, Sue Godell, Dawn Fouchia, Denise Schofield and Pam Bauer led the way in spiking.

"This was the last year for both Paula Schnieder and Cindy Hale, whose spirit and enthusiasm will be missed, as well as their skill," commented co-captain Sue Godell.

"We worked hard this season and really enjoyed ourselves," commented co-captain Cindy Hale.

Sue Godell added, "We owe a lot to Coach Zatkoff. She kept us going and had faith in us even when we were down."

League Competition Rewarding Venture

The Girls JV volleyball team progressed a great deal this year, and played very well together as a team.

Under the direction of Coach Diane Zatkoff, the team produced some very outstanding players, including Brenda Kotenko, Linda Draska and Cyndi Szydlak. Brenda Kotenko and Renee Whitefield served as the team's co-captains.

"Two of the most improved players on the team were Linda Russe and Marlaina Backus. All the girls showed great effort and enthusiasm, which should carry over to make next year's season a winning one," commented coach Zathoff.

Team Gives Coach Christy 100th Victory

"I'm really pleased. The team did a good job this season," commented Coach Dick Christy when asked about the Varsity basketball team.

It was this year's Stallion team that enabled Coach Christy to celebrate his 100th victory — a feat that is something to be very proud of!

The team is much stronger than they are given credit for. They beat some of the top teams, including Utica-Ford.

Co-captains Todd Skaggs and Jerry Bazinski demonstrated great leadership qualities which was a help to the team.

Two of the most-improved players on the team were Jeff Zatkoff and Frank Iafrate. Dan Stewart and Murray Wennerlund both played steady, offensively and defensively.

Junior Jim Gzregorzewski was the most outstanding player on the team, and a top-ranked player in the county.

League Contenders For Future Prospects

5

The JV Basketball season was a real success because of the improvement of all the team members. Two of the members — Kurt Bartarian and Matt Yanis — improved to the point of playing varsity.

John Bray was the leading scorer and rebounder of the team, and the captain this year was Chris McClain.

"We had some trying times this season, and lost some of our guys to injuries and when some went up to varsity," commented McClain. "But we did goodall the same because we had some real talent and worked well together as a team."

McClain felt that Coach Barker had a lot to do with the team's success. "We enjoyed winning for him — he really got us going," he said. "Coach Barker never lost faith in us, and we appreciated that."

Tankers Project Promising Future And Talent

Overall, the swimming season went well for the Sterling Heights High tankers.

Four outstanding swimmers — Dan McCoy, Mike Sabiston, Ron Landrum and Tim Lindstrom — broke the Clawson Relay record in the 400 freestyle relay.

Senior Tim Lindstrom placed well in the county meet. He finished ninth in both of his events.

Throughout the season, Golden Fish Awards were given to the most valuable swimmers at a particular meet. The recipients of the award included: Mike Sabiston, Don Haskin, Tim Lindstrom, and Jim Pasque.

Co-captains of the swim team this year were senior Tim Lindstrom and junior Don Haskin. The team was coached by Julie Williams and assisted by Eric Lindstrom.

Although the team is losing four seniors next year — Tim Lindstrom, Dan McCoy, Ron Landrum and Ken Martorana — it looks promising because of the strong effort on the part of the underclassmen. Swimmers Gary Adams, Jim Pasque, Jeff Broski, Ken Deleary and Mike Sabiston will hopefully lead the Stallions to victory.

Enthusiastic Squad Takes Championship

A young and enthusiastic 1977 squad brought Sterling Heights to its first District championship in girls athletics.

Falling just one game short of a Warren Conference Championship for the third consecutive year. The girls made the most of their season by winning their District Championship and coming in as runners up in the Regional Contest. One more victory would have taken the girls to the State Semi-finals!

Not only did this profitable season bring recognition to the team but it gave them the experience and confidence they needed as a young team. Five of the starting nine players were sophomores who had never experienced playing fast-pitch until they entered high school.

The 1978 campaign now rests on the assumption that the experience is there, along with the assurance that another championship could be attained by hard work and dedication.

Balance & Depth Key For Future Cindermen

The Warren Conference track league should be much more balanced in 1978. Warren, the 1977 winners will again be strong. However, Sterling Heights, Cousino, Tower and Mott should all be in the thick of things.

The distance and middle distance events should be covered by Mike Sabiston, Jay Tepatti, Brian Krieger, Steve Wrathell, Steve Mets and Dan Zajac. The top returners in the long sprints and dashes are John Jackson, Dave Reed, Mark Hamlin, Dan Binsfeld, Greg Metevier and Bob McGregor. Ken Sucaet and Mike Petz are the leading hurdlers.

In the field events, Steve Moreno and Doug Schmidt should lead the high jumpers and shot putters, respectively. Jim Kurbel and Murry Wennerlund are the top discus throwers. In the pole vault, Jim Climer, Gary Frankowski and Kevin Watassek should battle for the top spot.

Counselors Guide And Assist Student Goals

Among the services which the students value in school, counseling has been an important factor. Six counselors guide students in finding their utmost creativities, in opening their minds to the world ahead, in overcoming their disabilities, and in understanding their thoughts and feelings.

The expansion of the school's student attendence has made the counselors' jobs more challenging, but they are always standing by. Sterling Heights' counselors exist to insure the smooth functioning of the school by insuring the smooth functioning of each student.

Sterling **Business Department** is considered one of the finest in the State, with twenty-on course offerings plus Co-op experience, it combines class fundamentals with exposure to on th job training.

In Senior Co-op over fifty students participate with students working in such offices, a Chevolet, Rockwell International Mr. Foster Travel Agency and Manufactures Bank.

Students in Distribution Education find job training available in the school bookstore. Ove 78 students participate each year with sales, ordering stock and display. Second year student work at various Co-op jobs as J.L. Hudson, Penneys, Sears and Food Chains.

"I appreciated the opportunity to visit with you and your students of Friday, January 20. I was also especially pleased with the orientation that the student received upon entering the program. This is an excellent methodology to help the student identify his career objective in the field of distributive education. I have not seen a better system in a public school in Michigan. In addition, I have never seen a school store operation that was operated better than the one. Your program is worthy of replication throughout the State of Michigan."
Phillip T. Bailey, Supervisor
State Department of Education

One of the necessities of life is communication whether one becomes an engineer, politicia industrial worker, or raises a family. It is this ability to communicate which is stressed in th **English** and **Speech-Media** classroom. Thirty-one classes are available from College Pre courses to various media areas which include workshops in yearbook, newspaper, T.V., radi and library science. Several science.

Several field trips to theaters, plays and movies rounded out classroom instruction. One of th highlights of the year was an Old English Feast presented by Mrs. Dameron and Mrs. Blasz zak's English classes. The students researched all aspects of life in Anglian times before th event. It proved to be an educational experience for all.

An innovative addition to the curricular is a Reading Improvement course. It is open to ar students wishing to improve their reading skills. Materials range from the second grade readin level to second year college are available.

Social Insights Stressed By Faculty And Staff

With three concentrated selections French, German, and Spanish, the **Foreign Language** Department encourages students to broaden their knowledge and familiarize themselves with cultures and customs. Not only do students study various areas in their specialized field but attempt to travel at home and abroad. For the Spanish Club, this will be the sixth year they have gone to Mexico. Each trip enables the individual student the chance to combine study with pleasure. Other activities enjoyed by all are trips to ethnic resturants, cultural events, guest speakers and short trips with in the state.

The fundementals of **Home Economics** is important to people of today and tomorrow. The courses offered include Clothing, Foods, Child Development, Interior Decorating, and Comprehensive Home Economics course which acquaints the student with all of these, including personal care.

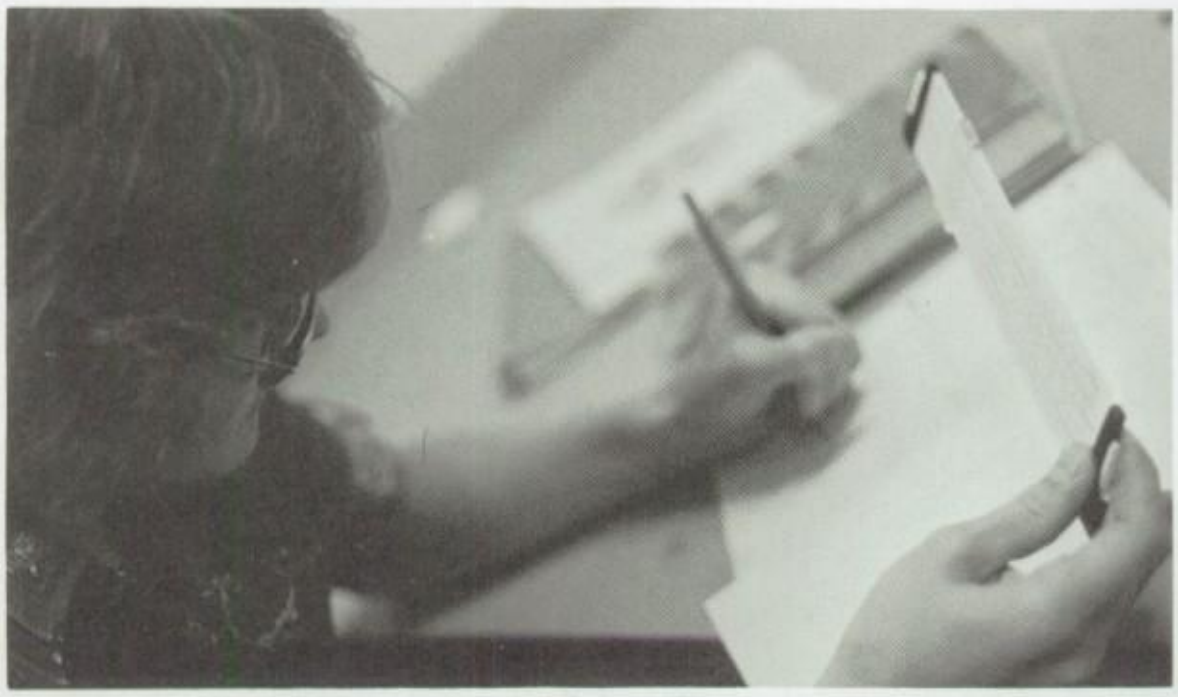
These course familiarize the students with the necessities of life and how to overcome life's faults. Men also enjoy these home-living courses, and find them most helpful.

Prepare, Form, and Finish is the basic procedure in constructing projects for shop work. Men and women both enjoy being able to work with their hands as well as their minds. **Industrial Arts** has given the students these opportunities, allowing advanced students to work on their own in creating great pieces of carpentry, metals, architectural drawings, and electronics.

To meet the educational needs of students in the higher mathematics, an additional course has been offered this year-Calculris dealing mainly with trigonomethy and linear functions. The math program is designed to help students in business and college prep classes.

The Mathematical Association of America gives a series of tests each year to promising math students. Over 23,000 students took the twenty-first Michigan Math Competition Test. Jerry Malburg finished in the top half of one percent of all students taking the test. Jerry was honored at the awards banquet held at Eastern Michigan University on February 25, 1978.

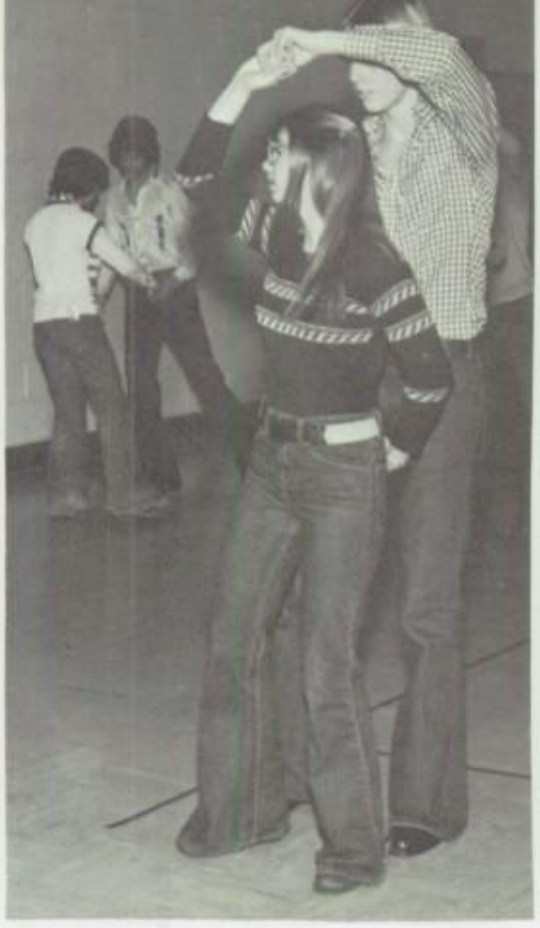
The **Mathematics Department** offers the students three term courses to choose from and extended areas of concentration.



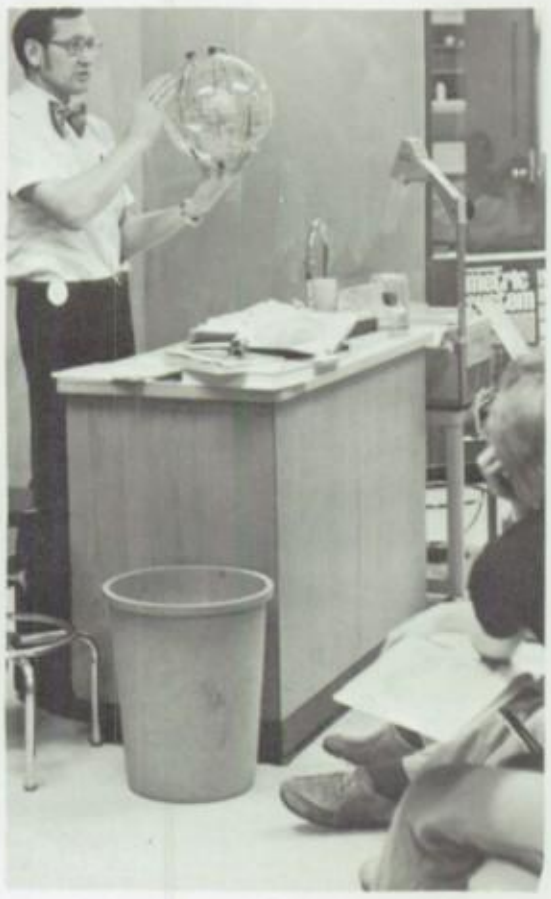
Sterling's large **Music Department** directed by Mrs. Sharon Babcock and Mr. Doug Avery is a great contributer to the school's activities.

The Chorus' Fall Concert was a success along with the beautiful show they presented at St. Dorothy's church. These talented singers also served when needed at school functions such as performing at the Spirit Week Pep Rally and the National Honor Society inductions.

The musicians in the band are divided into three groups: the marching, symphonic, and concert bands. Their service to the school is also much appreciated as they promote school spirit at sports events, provide the music for the play "Funny Girl" and present concerts for everyone's enjoyment.



Physical Education explores the development of leadership and stresses the organizational aspects of gym. All courses being 10 weeks long enables students to explore their physical talents in such areas as swimming, dancing, basketball, gymnastics and more, including education of health. Men and women have joined their talents in co-ed courses



The **Science Department** has fascinating courses to offer students in all ranges of ability. Classes range from conservation to physics accelerated and give students the opportunity to learn about all areas of science.

The Fourteenth Annual Southeastern Michigan Junior Science and Humanities Symposium took place in March at Wayne State University. Three students: Andrea Schoenrock, Michael O'Donnell, and Douglas Corbett participated while Denise Brimmer, Martin Piatt, Cynthia Hale, and Robert McGarry served as alternates. Mr. Paul Klozik also attended as a representative of Sterling Heights High School.

The largest department, **Social Studies** offers some 26 courses ranging from American and world history to psychology and sociology.

Sterling is the only school that offers a class in law enforcement that teaches students how the law's boundaries adjust to changing society. This course, taught by Mrs. Kathy Hess along with the Sterling Heights Police Department, allows the student to experiment with different careers in law enforcement.

A new course, changing roles in American society, offers students help in understanding and adopting to the changes in our nation. Even though this course was a pilot, it was so well received it has been added to the curreculum for another year.

Students Benefit From Staffs Hours, Dedication

It's the many people behind the scenes that keep S.H.S.H. moving. These people who help keep a round-the-clock vigil, are the building engineers and cooks.

Under the supervision of Mrs. Baker, the cooks arrive at 7:00 and start the meals of the day. Not only are their days filled but many times they help out extra curricular activities by preparing refreshments for special functions.

Three shifts of building engineers keep our facility operating. Mr. Joe Dunaj makes sure everything is in working order. These men also assist clubs and organizations by helping during games, dances and other school events.

SSSH BOOKSTORE

Sterling Heights school store operates on a 20% above cost margin of profit on items of $1.00 or greater value. Not many retailers can make this statement. All profits from the store go to the purchase of items, which would have otherwise been paid for from the school taxes. The purchase of this ad, is evidence of our support and committment to school programs.

We're here to serve you

In this school, your soul you've sold: to the dangerous, banal norms of old: of burnouts, jocks and the conformist act: of the self-revelation everyone lacked: carry burned on my heart, for the rest of my life: a melancoly for Sheryl and the scar of her nife.

Tony Ontek Haewsky

Best of luck to our daughter, Cheryl, and her classmates.

Cheryl Varitek

To Keith, you are my sunshine and my laughter. To Fran, Lauren, Kathy and Cheryl, we've had a lot of fun. I wish you the best of luck in whatever you do. To my brother, Steve, have fun and remember these are the best years of your life, To Mr. Avery, good luck in the future.

Julie

Nick,
What I have to say to you is so hard for me. We've been through a lot of disappointments lately. I'm real sorry for the bad times in which I was to blame. I didn't mean to you. I'm real sorry things just didn't stay good. I think your going to be very special to a girl in life to come. You're really a different kind of person. I'll always remember you. Well, Have a great summer, & if you'd come visit me; if you have the time. I'll see you next year, & be better friends. Hope I see that truck date we went (79) (Love always) like it didn't we! HA Nick
P.S. Remember the best of luck (Be Good!) really in because you I wish you the for the future, be don't deserve nothing less!

Mick,
you've been a swell friend.
I hope our friendship lasts

can teach me how to dance!
Well, I plan on seeing
you this summer! Call me
